Sunday January 17, 2021: Session #2 (till 1:30 PM)

7:30 AM:	FCA Breakfast
8:30 AM:	Registration Opens for Session #2 Only
9:00 AM – 1:00 PM	Vendor Booths Open
9:00 AM – 11:00 AM:	3 clinic sessions (#2)
11:00 AM – 12:00 PM:	Lunch Break / Vendor Time
12:00 PM – 1:30 PM:	2 clinic sessions (#2)

Clinic Setup:

- The clinic will be divided into 2 sessions (#1 and #2); each will have a full speaker lineup; social hour; and vendor booths and visitation times. The Rules Meeting and the District Meetings will be held between both sessions in order to accommodate head coaches from both sessions.
- Each session will honor the current gathering guidelines of 250 people in the main clinic room.

Pricing: (reduced for 2021 to help coaches attend)

- Head Coach: \$65.00
- Assistants (2 – 4): \$60.00
- Assistants (5 and up): \$55.00
- Hall of Fame Coach: \$50.00

Registration:

- Online registration link will be available by October 5.
- **Pre-registration will be a must** this year due to the gathering guidelines and the need for advanced planning. There will be limited spots available for walkups due to the limits for each session.....our desire is to work with all coaches to make sure they can attend and we will not turn people away if space is available.
- Coaches will have the choice of paying online again this year or sending a check with the registration form.
- You will indicate your first choice and second choice for clinic attendance and we will make every effort to honor that. You can also indicate that either session is OK and I am sure we can honor that! If you are interested in attending both sessions, you will need to register twice and we will honor that also....after all coaches have been given the opportunity to register for at least one session.
- Suggestion, not a mandate: it might be helpful for coaches in the central part of that state to register for session #1 and coaches from farther north and south to register for session #2 just simply for travel purposes to Indianapolis.

Hotel Link:

- Room Rate will be \$119.00 / night.
- Hotel will also have box lunch options available – more information to follow.
- Hotel has cleaning / sanitizing protocols in place.

Hall of Fame Selection / HOF Banquet / Coach of the Year Recognition:

- Due to space and gathering restrictions, the HOF Banquet will be postponed until the 2022 clinic. We apologize for this inconvenience, but do not have other options available in our current environment. We will still be doing a Hall of Fame selection process both

this year and next year....details will be available in the October newsletter, along with the voting ballot.

- We realize that we have District Coach of the Year recipients to honor and are working on a plan for that. They also would have been honored at the HOF Banquet. We might schedule a recognition time during the 2021 clinic or wait till the 2022 HOF Banquet. Stay tuned for further direction on this recognition process.

Speakers:

- We understand that since there are two sessions this year, coaches will want to see a speaker lineup earlier than normal. That will be a priority of the Council, but I also want to share our speaker approach as that may help answer some questions about which session to attend.

The plan is to use the second day of the three-day clinic and schedule the same speakers for both sessions, as much as possible. In other words, several of the speakers from the morning clinic for Session #1 will be the same speakers for the evening clinic for Session #2. That will help bring some consistency to the sessions.

- Ryan Bunnell is handling our speakers again this year and he does a great job! Please share any suggestions that you with him.

More details will follow, but we wanted to give you the basics now so you can start planning on attending.

Feel free to call, text, or e-mail myself or any Council member if you have questions.
